

Greetings to all OES members:

It's that time when all committees for Grand Chapter get busy to decide how to raise money for their various causes.

Our cause is ESTARL. As you know ESTARL is important to help those interested in religious studies. We need to get more young people involved in this field of study and as you know, education is not cheap.

ESTARL was written several years ago by Dr. Wilbur Cramblet. Dr. Cramblet was a member of Bethany Chapter #64, Past Grand Patron of West Virginia, and Past Most Worthy Grand Patron of General Grand Chapter. He is the only PMWGP from West Virginia. We feel it is important to keep Dr. Cramblet's hope for ESTARL alive and growing.

We are not going to ask you to purchase anything. Instead we would like each member to donate \$0.25 for each year your have belonged to Eastern Star. Please give you donation to you chapter secretary and one check can be sent from your chapter for the total amount donated. It would be nice if this could be given at your Grand Visitation.

Thank you, in advance, for your donation to this important cause. Remember how many young people we hopefully will be able to help with their studies.

Mary Lou Chambers, PM Chairman  
Bethany Chapter #64

Approved by Judy B. Chandler, Worthy Grand Matron of West Virginia
