August 20, 2020

Dear Sisters and Brothers,

I hope you are fine and ready for this Covid-19 to be finished. Hopefully, soon, we will be able to go back to hugging, laughing and enjoying each other and our wonderful Star.

As you know, next year, October 29, 2021 – November 5, 2021, will be our General Grand Chapter in Salt Lake City, Utah. This is the highlight of our world wide Eastern Star membership and lots of fun. We certainly all need fun in our life. After going nowhere, we should all have saved our money to go to Salt Lake City. This will be my first time being on the floor as an elected line officer. Of course, my proudest time was being Worthy Grand Adah for our wonderful Bobbi White, PMWGM.

I hope you will consider going to the Salt Lake City session. I have several session appointments to give. I would also like to give your name to Sister Marianne, MWGM, so you can be part of the session. I need help to operate the Mountain Laurel Table, while open at the session. There will also be a WV luncheon which many of you can help put together and all can attend. Sisters Dawn Fox, PGM; Pat Kennedy, PGM; and Cindy Strakal, PGM are tri-chair of the luncheon. Dawn has taken charge for WV. If you can help her with arrangements, letters, tickets, decorations and all the things that are needed, please tell Dawn that you are going and want to help. She is also going to try to get a WV bus together to go to Salt Lake City. How fun would that be?

We need to go to let the world know how Wild and Wonderful WV is. Come support Bobbi, me and our devoted committee members, meet my running mate, Brother Larry Woodward, PGP of Mississippi, have something special to do and just have fun.

Please send me a note or text and tell me your name and chapter # and that you can't wait until we all have fun in Salt Lake City. Also, please help Dawn with her two large projects. There is lots to do for all.

I love and miss each of you.

Love,

Debbie Dhayer, Right Worthy Associate Grand Conductress
