

January 4, 2019

Dear Eastern Star Chapters of West Virginia:

I am Carolyn Bolyard, Past Matron, Naomi Chapter No. 12, Grafton, Chairman of our Heart Committee for Judy Chandler, WGM and Clayton Horne, WGP, Almost Heaven Grand Session. The Goal of Sister Judy and Brother Clayton for the Heart monies is to assist WVU in some way. After much discussion it was decided that the Monies collected for the Heart Fund will be used for equipment for West Virginia University/United Health Center/Cardiac, Thoracic and Pulmonary Rehabilitation Center located in the Clarksburg/Bridgeport area.

They are in need of a Doppler to be used for Blood Pressure measurement for patients with artificial cardiac implants, as patients with such mechanisms blood pressure cannot be measured with the normal blood pressure cuff. This is just one need of the rehabilitation center. They are involved with local Health Fairs in the area, and have equipment needs to help diagnose heart issues that arise. You will meet a representative from this Great Rehabilitation Center at Grand Chapter in October, 2019.

Our Grand Family encourages each of you to search your heart and help this worthy cause as you see fit. We also encourage you as a Committee member or chapter to do a fund raiser that would benefit either the Heart Fund in your area or assist us with this endeavor. Our Goal is to offer Strawberry & Cream suckers called "Sweet Hearts to Heal Hearts" for a donation of \$1.00 or more apiece. So if you would be interested to helping with this endeavor, please call me at 304-265-4643. I would be pleased to sent you a supply of the Sweet Hearts to assist WV Order of Eastern Star Almont Heaven Grand Family to help these patients get the rehabilitation they need.

My Committee helpers are Barbara Burwell (Chapter No.155) Kay Asbury (101), Carol Lowther (151), Clayton Alford (106,) Rita Tanner, and Dorcas Friedline (50)

Sincerely,

Carolyn L. Bolyard

Carolyn L. Bolyard, PM
Chairman

Judy Chandler
