June 1, 2020

Dear Sisters and Brothers,

,

It has come to my attention that some chapter's members have been exposed to the covid-19 virus, and they themselves may be positive of the virus, which is causing a hardship on their chapter of having a quorum to have election and installation of officers in June. To be considerate of these chapter officers, I will permit the chapter under these circumstances to secure a special dispensation without fee to extend the deadline for election and installation to July 31, 2020.

It is highly recommended for safety matters that the officers of 2019-2020 year remain in place if possible.

Star Love,
Linda Fowler
Worthy Grand Matron
