Dear Secretaries:

I am sending this letter to each chapter asking for your help with one of my Special Projects for the 2019-2020 year. I have chosen the Quilts of Valor project to honor our veterans who have served our country with honor. There are 10 districts in our order with anywhere from 6 to 10 chapters in a district. I have furnished some of the fabric to make 10 quilts that are ready to be given away, one to a special veteran out of each district.

What I need now is your help informing me of the veterans from your chapter. This includes men and women who have served in any of the branches of our military. They must still be living since we cannot honor those who have passed away. Please don't omit any veteran; they all should have a chance to receive one of these beautiful quilts. Please let me know as soon as possible as I would like to begin the drawings soon with one winner from each district's bag of all entries received from that district. Please complete the form below for each veteran's name you submit.

Thank you for your assistance.

Star love,  
Linda Fowler, WGM
