

Dear Sisters and Brothers,

On behalf of our West Virginia Rainbow Girls, I am requesting your Chapter and individuals for donations to help with finances for our girls for our WV Grand Assembly June 25-27<sup>th</sup> in Charleston at the Scottish Rite and to be able to attend Supreme Assembly in July in Reno, Nevada. These two events are so valuable to our girls giving them memories they will never forget and experience opportunities that they may never have a chance to do. Meeting girls throughout the United States and other countries is such a fun and bonding experience for them. The girls do have fundraisers within their Assemblies but it doesn't cover all of expenses. I believe in Rainbow and how it instills a young girl to grow into a productive young lady with good moral values, leadership and is patriotism to her country. We truly need your support to continue West Virginia Rainbow.

We are also helping our Supreme Assembly in Oklahoma to replace an inoperable HVAC system that has been there since the building was built. There have been major repairs with replacing this system which is costing over \$400,000.00. This is called their Capital Campaign. Each Jurisdiction of Rainbow has been asked to help raise funds for our Supreme Temple. We will be offering items for a donation for this project and our own.

Our Grand Assembly will be June 25-27, 2020 at the Scottish Rite in Charleston and we invite you to attend, especially on the 25<sup>th</sup> for our Grand Banquet and Formal Opening. We would love to have you! Any donations we receive from an individual or Chapter will be recognized in our Grand Assembly program as Diamond- \$100.00 or greater, Platinum- \$50.00-\$99.00, Bronze- 25.00-\$49.00.

The Youth Committee of General Grand Chapter and the West Virginia Youth Committee are also working to support Rainbow and DeMolay in West Virginia. Their donations will be reported and given at our Grand Chapter and thru General Grand Chapter. We hope that you will support both projects.

I know I am asking a lot but working as a team, we can do it! We sincerely are grateful for all you do for Rainbow.

Rainbow Blessings,

Dawn Fox, Supreme Deputy of West Virginia
