Dear OES Sisters and Brothers,

I hope this message finds you well. I am writing on behalf of **The Hospitality Room Committee** to kindly request your support for our upcoming **Grand Chapter Sessions** scheduled for **September 30 – October 3, 2026**, at **Canaan Valley Resort**.

This gathering will bring together **OES members from all corners of West Virginia as well as the world as this is the Most Worthy Grand Matrons official visit**. To make the event welcoming and productive to our visitors, we hope to provide light refreshments to tide the weary travelers over between sessions.

We would be deeply grateful if **each chapter in the state** could contribute **pastries, sandwiches, beverages, cookies, candies, cakes, desserts, salads, and whatever else you can think of** to help make this meeting a success and to make West Virginia Hospitality shine.

If you are unable to provide any food items, cash is also needed to buy the items we need to finish out the Hospitality Room. Checks should be made out to

ROWLESBURG CHAPTER #127

and send them to me so we can decide what we have and what we need.

Thank you for your consideration to making the Hospitality Room a welcoming place for all of our visitors and that we can all show Sister Cindi and Brother Dale what great Star Love and Hospitality is. Blessings to each and every one.
